

# It's Just Plain Wrong.

## Help Save Shollenberger Park And Clean Air STOP The Dutra Asphalt Plant at Haystack Landing

Building an asphalt plant next to the entrance to our city and Shollenberger Park doesn't make sense. It will degrade our environment, impact our health, and hurt local businesses. The eyesore of two 70 foot silos and the smell of asphalt will be the "Welcome to Petaluma" landmark for the next 40 years.

### On record **AGAINST** the Dutra Asphalt Plant as proposed are:

- Mayor Pam Torliatt
- Unanimous Petaluma City Council
- O.W.L. Foundation
- Madrone Audubon Society
- The Sierra Club
- Petaluma River Council
- Friends of the River
- Petaluma Tomorrow
- Petalumans4Change
- Moms For Clean Air
- Trout Unlimited
- Shollenberger Park Docents
- The Petaluma Wetlands Alliance
- Over 3,000 Sonoma County Residents who signed our petition
